

☆ Errata for the Corrected Edition of the Tajwīdi Qurʾān ☆

Errata found as of 01 March 2004 C.E. corresponding to 10 Muḥarram 1425 H.

ARABIC

Sūrah al-Qaṣaṣ (28:48) page 624 on the second line, second word in from the right, in Arabic MITHLA. The *kesrah* under the letter *mīm* is missing. This appears to be a mistake in this printing as it is correct in the original Tajwīdi Qurʾān:

at present it reads مثل but should read مثل

Please correct the above in your copy of the Tajwīdi Qurʾān.

We presently have two people reading the entire edition again and they have reported a number of missing *ghunnahs* which are designated by tilde Ñ.

As soon as the list of these is complete we will post it to this list of errata, ʿinshāā-ʾAllāh.

If you find any errors please report them to us, citing sūrah, 'āyat and page number.

Send them to: and@an-noor.net and thank you.
